NARRATIVE

Driver Unit 1 (Brantner) and Pedestrian (Christian) were involved in a verbal altercation. As Unit 1 was backing out of a parking stall in a business parking lot, Pedestrian stepped behind to get vehicle license plate. Driver Unit 1 stated he did not see Pedestrian and stopped prior to collision. Witness (Buda) states no collision occurred. Witness (Voss) states no collision occurred. Witness (Leweundowski) states was working inside restaurant and did not see most of altercation. Witness (Roza) relied heavily on statements made by 9 year old daughter and did not directly witness most of event. Pedestrian complained of knee pain but declined transport by aid. Driver Unit 1 admitted to consuming alcohol but satisfactorily performed Standardized Field Sobriety Testing and provided a PBT breath test (.074). It was determined he was not impaired.

Due to conflicting statements, it is undertermined if any collision between vehicle and pedestrian occurred. It was determined that Pedestrian was purposefully standing behind vehicle as the vehicle began backing.

I CERTIFY (DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT. (RCW 9A.72.085)

We pulled into a parking stall to pick up a take out order. This guy stared at us. He then approached my boyfriend asking why he "reved his engine". We told him we were just parking. He then said he was calling to cops.

We started to pull out and he stood behind our truck and said we hit him.

We have a witness that came up and said he watched the whole thing and attested that the guy was trying to start a fight with us

I was working at Subway, and I noticed a guy waving his arms up & down showing the truck that was backing up he was there. From what I could see, the truck did not see him & kept backing up. He only stopped after hitting the pedestrian. I initially thought these two were friends messing around ~~it was not~~ I did not see the pedestrians ~~cause~~ ^{he was on} the ground but his fiancé came in saying he was hurt. This is all I saw & know. I couldn't tell if the guy was faking it or not.
